HACCP certificate

18/01/2011 Rotterdam,

We, C. Steinweg Handelsveem BV, Parmentierplein 1, Rotterdam, hereby declare that all our operations in our tea plant (s) will be conducted in accordance with "Requirements for a HACCP based food safety system.", Option A: Management System Certification compiled by the National Board of Experts HACCP-June 2006.

Herewith several motivations (pro) actively engaged with the quality policy

1. C. Steinweg Handelsveem BV considers quality as an essential part to, quality, food- and process safety to put into effect to meet our responsibilities to their customers.
2. C. Steinweg Handelsveem BV wants to positively distinguish itself on quality from competitors.
3. To control own (understandable) processes it became a means to cover risks.
4. C. Steinweg Handelsveem BV is responsible for the quality of the product during storage and transfer.
5. The parcels of tea , at all times remain the property of the customer, who is also responsible for the possession of required certificates, which are legally necessary.

C. Steinweg Handelsveem BV has defined the following objectives:

1. To manage and control a sound operational HACCP system.
2. Through internal verification and audits ensure that the quality systems are secured, implemented and maintained.
3. That all employees are aware , why and how they have to work on a food-safety basis.
4. Continue to meet the laws.
5. The company wants to keep practicing an active policy of food safety
6. Certification is not considered as a capital gain. . Audits conducted by or on behalf of our clients or their customers are always possible when appointments are made
